Festival of Flowers

Wednesday, May 28

We will be celebrating the peak bloom of an enormous rhododendron collection at Moore SP's "Festival of Flowers" on Wednesday evening, May 28. The open air concert featuring historical New England folk music will begin at 6:30 PM, followed by a speaking program at 7:30 PM which will focus on thanking those individuals and Girl Scout troops who helped beautify and improve the park as part of Park Serve Day. The program will conclude on the Enchanta bridge, celebrating its 10th birthday with a special cake.
